

Basque children at the Brampton colony.

Rob David

The information in the Brampton colony list of children table has been primarily extracted from: Carlisle Archive Centre: DROB Box 15, correspondence between subscribers to the appeals and supporters of the children at the Brampton Hostel, and Charles H. Roberts (Treasurer of the Cumberland and Westmorland Basque Children's Association) and (occasionally) his wife Lady Cecilia Howard. Additional information has been taken from Natalia Benjamin (ed), *Recuerdos: Basque children refugees in Great Britain* (Oxford, 2009), the *Carlisle Journal*, Rob David's interview with María Carmen Cid Santibañez and written summary, and other sources as well as personal communications from descendants of the children. All sources are named.

All this information has been correlated where possible with the lists of passengers on 'Habana' on the Basque Children of '37 Association website (in blue),

(Abbreviations used: CR = Charles. H. Roberts; Walter Hobson took over as i/c adoption programme during 1938. It is not always clear whether copy letters were coming from/going to C.H. Roberts or W. Hobson.)

I have followed the usual way of writing Spanish and Basque surnames. These are almost always double barrelled with father's given name first followed by mother's given name.

I have made the assumption that if one or more members of a family were at Brampton and were named, other family members would be there too. This may of course not always be the case.
